Announcement on Investment in and Development of Real Estate Project in Lixia District, Jinan City by Subsidiary Companies

The Board of Directors of the Company and each member of the Board of Directors guarantee that the contents of the public announcement contain no false or misleading statements or major omission, and they are jointly and severally liable for the truthfulness, accuracy and completeness of the said contents.

The 17th meeting of the third Board of Directors of China State Construction Engineering Corporation Limited (hereinafter referred to as "the Company") deliberated on and approved the *Proposal on the Real Estate Development Project in Shengfu Area, Lixia District, Jinan*, under which China Construction Eighth Engineering Division Co., Ltd. will invest in the said real estate development project (hereinafter referred to as the Project). Recently, China Construction Eighth Engineering Division Co., Ltd., the Company's subsidiary, has won the bidding for the land use right of this project and officially signed the land transfer contract.

The project is located in Lixia District, Jinan City, consisting of 7 plots (including 3 residential plots and 4 commercial plots), covering a total area of 201,400 square meters, with a total capacity building area of 548,900 square meters. The total investment of the project is about RMB 8.216 billion, of which about RMB 3.8 billion is the land cost. The development cycle of the project is expected to be 4 years.

The acquisition of the land use right and investment and development of the project is conducive to improving the Company's influence, leading position and brand appealing in Jinan's market. This project is an investment decision made by the Company under the current status of market and based on the actual situations, with risks fully taken into consideration. Whether the project can achieve the desired goal is also subject to project development cycle and market demand. All investors are kindly advised to take heed of investment risks.

The above is hereby announced.
